

PCI PAL GENERAL TERMS AND CONDITIONS

1. SCOPE

1.1. Agreement: These General Terms and Conditions (the “**General Terms**”) govern the licensing of PCI Pal’s (“PCI Pal”, “we”, “us” or “our”) platform (“**Platform**”) and provision of related services, including support services, collectively and together with Platform access, the “**Services**”, to a party subscribing to the Services (“**Customer**”) under a Service Order Form.

1.2. Subscription: Customer will subscribe to the Services as set forth in the relevant Service Order Form and PCI Pal will supply and sell the subscription to the Customer (“**Subscription**”). Each Subscription is subject to and governed by these General Terms, the applicable Service Order Form, the terms and conditions of the NDA (if any), the Data Privacy and Security Addendum, and any amendments to any of the foregoing as may be agreed upon by the parties, which together constitute the agreement between Customer and PCI Pal (“**Agreement**”). Each Subscription is a separate agreement between Customer and PCI Pal. In the event of any conflict between the terms and conditions of the various components of this Agreement, the following order of precedence will apply: (a) any amendment agreed upon by the parties; (b) the Privacy and Security Addendum; (c) the NDA (if any); (d) these General Terms; and (e) the Service Order Form.

2. LICENSES

2.1. License: Subject to the terms and conditions of this Agreement, during the term of this Agreement, PCI Pal will make the Platform available to Customer and its Affiliates and Customer’s and its Affiliates’ authorized users, if any, and grants to Customer, its Affiliates and Customer’s and Customer’s Affiliates’ authorized users, if any, a non-exclusive, non-transferable, non-sublicensable, worldwide, revocable right and license to use the Services solely in connection with Customer’s internal business operations and for no other purpose. Customer accepts sole responsibility for the use of the Platform by Customer, Customer’s Affiliates and Customer’s and its Affiliates’ authorized users, and any other user who gains access to the Services through Customer, its Affiliates or its or its Affiliates’ authorized users. PCI Pal may also provide Customer specifications, technical manuals and other materials related to the Platform (“**Documentation**”) to be used by Customer in accessing and using the Services. Customer shall only use the Documentation in connection with its permitted use of the Services.

2.2. License Restrictions: Except as specifically provided in this Agreement, Customer and its Affiliates and Customer’s and its Affiliates’ authorized users will not: (a) copy the Software and/or the Platform, in whole or in part; (b) distribute copies of the Software and/or the Platform, in whole or in part, to any third party; (c) modify, adapt, translate, make alterations to or make derivative works based on the Software and/or the Services or any part thereof; (d) except as permitted by Law, decompile, reverse engineer, disassemble or otherwise attempt to derive source code from the Software in the Platform (e) use, rent, loan, sub-license, lease, distribute or attempt to grant other rights to any part of the Platform to third parties; (f) use the Platform to act as a consultant, service bureau or application service provider; or (g) permit access of any kind to the Services to any third party.

3. PROVISION OF SERVICES

3.1. Platform Services: Following purchase by Customer of a Subscription in accordance with the relevant Service Order Form, PCI Pal will provide and continue to provide access to the Platform until the expiration or termination of the Subscription in accordance with the terms of this Agreement.

3.2. Professional Services: PCI Pal will provide basic setup services in order to enable access to the Platform. If further integration, configuration or implementation services are required by Customer,

Customer is required to purchase professional services in accordance with the relevant Service Order Form. The professional services may be further described under a Statement of Work provided by PCI Pal.

3.3. Support Services: PCI Pal will provide support services to Customer in accordance with the Service Level Agreement.

3.4. Service Level Agreement: PCI Pal will provide the Services in accordance with the relevant Service Level Agreement.

3.5. Suspension of Services: PCI Pal will be entitled to suspend the provision of the Services: (a) where required to comply with applicable Law or the order or instruction of a regulatory body; (b) as necessary to perform maintenance and improvement works to underlying systems; (c) if Customer has, or PCI Pal reasonably believes that Customer has breached the terms of this Agreement, including the Acceptable Use Policy. PCI Pal will: (i) provide as much notice as reasonably practicable under the circumstances; and (ii) where performing maintenance, use reasonable endeavors to perform such maintenance outside of business hours and in any event, in accordance with the Service Level Agreement.

3.6. Service Updates: PCI Pal may issue changes to the Services including improvements and PCI Pal may update the Agreement accordingly. Any updates will form part of PCI Pal's intellectual property rights. If any such changes result in a material degradation of the Services, Customer will have the right to terminate this Agreement on 7 days' written notice.

3.7. Third Party Products: Customer's use of the Services may depend on Customer purchasing or otherwise accessing Third Party Products. Customer's use of any Third Party Products will be subject to the terms of the shrink-wrap, click-wrap or other accompanying license or terms of service included or provided with or agreed in respect of such Third Party Products. PCI Pal shall have no liability or additional obligations to Customer in connection with Third Party Products. PCI Pal has no authority or ability to negotiate or vary the Third Party Products or the terms that apply to such Third Party Products or enter into any contract on behalf of the provider of Third Party Products. Depending on the nature of the Third Party Products, PCI Pal may receive a commission payment from the provider of Third Party Products for Customer's use of such Third Party Products.

3.8. If Customer's Subscription includes the Proactive Fraud Management feature, Customer acknowledges the feature uses risk scoring technology provided by Telesign Corporation and agrees to be bound by the end user license terms available here: <https://legal.pcipal.com/riskservices.html>

4. FEES

4.1. Fees may comprise set-up, professional services and license fees and will be set out in the relevant Service Order Form. PCI Pal will invoice Customer for the fees in advance upon acceptance of the Service Order Form, either annually in advance or at such different billing frequency agreed under the Service Order Form and are payable within 30 days of receipt of the relevant invoice. All fees paid by Customer are non-refundable and non-prorated unless otherwise noted in this Agreement or agreed to by the parties.

4.2. Subject to this Clause 4, all past due payments will bear interest at the rate of 1.5% per month or such lower rate as permitted by law, and Customer will pay all collection costs incurred by PCI Pal. If Customer disputes in good faith any amount on an invoice, Customer will pay the undisputed amount and will notify PCI Pal in writing of the disputed amount no later than the date the payment would otherwise be due, providing reasons.

4.3. Subject to any agreed Initial Subscription Term, PCI Pal reserves the right to increase the fees once, annually. Any increase to the fees will be based on the Consumer Price Index subject to a minimum of 3%.

4.4. Additional charges will automatically apply following any Subscription upgrades, add-ons or increase in the number of authorized users by Customer agreed in writing. Any incremental Subscription charges associated with such upgrade, add-on or increase will be prorated over the remaining time in the relevant payment cycle, charged to the Customer's account and due and payable on the next payment date. Customer's future Subscription charges will reflect any such upgrade or increase in full. If Customer procures any services provided by a third party directly through PCI Pal ("**Third Party Services**") and such Third Party Services are subject to a price increase, PCI Pal will pass-through such increase at cost and without any uplift.

4.5. PCI Pal reserves the right to introduce special pricing if Customer uses the Services in an excessive manner, including any use contrary to clause 7.1.

4.6. Customer shall be responsible for the payment of any fees and charges payable in respect of any Third Party Products it procures in accordance with the terms and conditions applicable to such Third Party Products.

4.7. Taxes: Each party will be responsible, as required under applicable Law, for identifying and paying all taxes and other governmental fees and charges (and any penalties, interest and other additions thereto) that are imposed on that party related to the transactions and payments under this Agreement (which may be due in addition to the fees or rates payable by Customer). PCI Pal may charge, and Customer will pay, where applicable, national, state or local sales or use taxes, or value added or goods and services tax, or withholding or other taxes ("Taxes"). Customer will receive a compliant tax invoice, where required. PCI Pal will be responsible for all other taxes or fees arising (including interest and penalties) from transactions and the documentation of transactions under this Agreement. Upon request, Customer will provide such information to PCI Pal as reasonably required to determine whether it is obligated to collect Taxes from Customer. PCI Pal will not collect, and Customer will not be obligated to pay (or will be refunded), any such tax or duty for which Customer furnishes PCI Pal a properly completed exemption certificate or a direct payment permit certificate or for which claims an available exemption from tax. PCI Pal will provide Customer with any forms, documents or certifications as may be required for Customer to satisfy any information reporting or withholding tax obligations with respect to any payments under this Agreement.

5. INTELLECTUAL PROPERTY RIGHTS

5.1. PCI Pal Services: The Services and material or content contained therein including, without limitation, the Software, source code, all graphics, interfaces, features, functions, text, text buttons, design and organization, selection and arrangement, logos, audio and video clips, contain copyright material, trademarks, data, research and other proprietary rights owned by, or licensed to, PCI Pal. PCI Pal will reserve and retain the rights, title, and interest in and, to the Services, including, without limitation, all intellectual property rights therein or relating thereto, except as expressly granted to Customer under this Agreement. Customer does not acquire any ownership interest in the Services under this Agreement, or any other rights thereto other than to use the Services in accordance with the limited license and rights granted under this Agreement, and subject to all terms, conditions, and restrictions, under this Agreement. Customer acknowledges and agrees that the Services are provided under limited license and access rights and are not sold to Customer.

Subject to clause 7.2, by submitting any Feedback, Customer hereby grants PCI Pal the rights and license to freely use, copy, disclose, license, distribute and exploit such Feedback in any manner without any obligation, royalty or restriction based on intellectual property rights or otherwise.

5.3. Customers are subject to restrictions in Clause 2.2 and must not commercially exploit the Services and material or content contained therein in any way unless express permission is provided by PCI Pal or of the copyright owner, as the case may be, or except as may be expressly authorized by copyright laws. Customers must not remove, delete, alter, or obscure any notices of copyright, trademark, patent or any other intellectual property or proprietary rights from the Services, including any copy thereof.

6. WARRANTIES

6.1. Platform Services: PCI Pal represents and warrants that: (a) the Software, and the Platform, will conform, in all material respects, to the Documentation during the Warranty Period; (b) PCI Pal will use industry standard practices to detect and protect the Software, and the Platform against any viruses, "Trojan horses" or other harmful code designed or used for unauthorized access to or use, disclosure, modification or destruction of information within the Software, and the Platform or interference with or harm to the operation of the Software, and the Platform or any systems, networks or data, including using anti-malware software and keeping anti-malware software up to date prior to making the Software (including any Software provided through the Platform) available to Customer, and scanning the Software, and the Platform on a regular basis; and (c) the Software, and the Platform will comply with the then-current version of the PCI DSS.

6.4. Compliance with laws: Each party represents and warrants that it will comply with all applicable international, national, state and local laws, ordinances, rules, regulations and orders, as amended from time to time ("Laws") applicable to such party in its performance under this Agreement.

6.5. Power and authority: Each party represents and warrants that: (a) it has full power and authority to enter in and perform this Agreement and that the execution and delivery of this Agreement has been duly authorized; and (b) this Agreement and such party's performance hereunder will not breach any other agreement to which the party is a party or is bound or violate any obligation owed by such party to any third party.

6.6. Disclaimer: EXCEPT FOR THE WARRANTIES SPECIFIED IN THIS AGREEMENT, NEITHER PARTY MAKES ANY WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING THE SERVICES, CUSTOMER MATERIALS AND CUSTOMER DATA, AND EACH PARTY HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. PCI Pal does not warrant: (a) that the Services will meet Customer's requirements; or (b) that the operation of the Software will be uninterrupted or error free.

7. OBLIGATIONS AND RESPONSIBILITIES

7.1. Acceptable Use: Customer must use the Services in accordance with the Acceptable Use Policy and the Subscription including with respect of usage rights. Customer will not intentionally use the Services to: (a) store, download or transmit infringing or illegal content, or any viruses, "Trojan horses" or other harmful code; (b) engage in phishing, spamming, denial-of-service attacks or fraudulent or criminal activity; (c) interfere with or disrupt the integrity or performance of the Platform or data contained therein or on PCI Pal's system or network; or (d) perform penetration testing, vulnerability testing or other security testing on the Platform or PCI Pal's systems or networks or otherwise attempt to gain unauthorized access to the Platform or PCI Pal's systems or network or (e) for any other purpose other than as intended by this Agreement.

7.2. Confidentiality

7.2.1. "**Confidential Information**" means any nonpublic information directly or indirectly disclosed by either party (the "**Disclosing Party**") to the other party (the "**Receiving Party**") or accessible to the Receiving Party pursuant to this Agreement that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential, including without limitation technical data, trade secrets, know-how, research, inventions, processes, designs, drawings, strategic roadmaps, product plans, product designs and architecture, security information, marketing plans, pricing and cost information, marketing and promotional activities, business plans, customer and supplier information, employee and user information, business and marketing plans, and business processes, and other technical, financial or business information, and any third party information that the Disclosing Party is required to maintain as confidential. Confidential Information will not, however, include any information which: (a) was publicly known or made generally available to the public prior to the time of disclosure; (b) becomes publicly known or made generally available after disclosure through no fault of the Receiving Party; (c) is in the possession of the Receiving Party, without restriction as to use or disclosure, at the time of disclosure by the Disclosing Party; (d) was lawfully received, without restriction as to use or disclosure, from a third party (who does not have an obligation of confidentiality or restriction on use itself); or (e) is developed by the Receiving Party independently from this Agreement and without use of or reference to the Disclosing Party's Confidential Information or Proprietary Rights.

7.2.2. Feedback will not be considered Customer's Confidential Information, and nothing in this Agreement limits PCI Pal's right to independently use, develop, evaluate, or market products or services, whether incorporating Feedback or otherwise. Except for rights expressly granted in this Agreement, each party reserves all rights in and to its Confidential Information. The parties agree that the Services are Confidential Information of PCI Pal.

7.2.3. Obligations: The parties will maintain as confidential and will avoid disclosure and unauthorized use of Confidential Information of the other party using reasonable precautions. Each party will protect such Confidential Information with the same degree of care that a prudent person would exercise to protect its own confidential information of a like nature, and to prevent the unauthorized, negligent, or inadvertent use, disclosure, or publication thereof or access thereto. Each party will restrict Confidential Information to individuals who need to know such Confidential Information and who are bound to confidentiality obligations at least as protective as the restrictions described in this Clause 7.2. Except as necessary for the proper use of the Software, the exercise of a party's rights under this Agreement, performance of a party's obligations under this Agreement or as otherwise permitted under this Agreement, neither party will use Confidential Information of the other party for any purpose except in fulfilling its obligations or exercising its rights under this Agreement. Each party will promptly

notify the other party if it becomes aware of any unauthorized use or disclosure of the other party's Confidential Information, and reasonably cooperate with the other party in attempts to limit disclosure.

7.2.4. Compelled Disclosure: If and to the extent required by law, including regulatory requirements, discovery request, subpoena, court order or governmental action, the Receiving Party may disclose or produce Confidential Information but will give reasonable prior notice (and where prior notice is not permitted by applicable Law, notice will be given as soon as the Receiving Party is legally permitted) to the Disclosing Party to permit the Disclosing Party to intervene and to request protective orders or confidential treatment therefore or other appropriate remedy regarding such disclosure. Disclosure of any Confidential Information pursuant to any legal requirement will not be deemed to render it non-confidential, and the Receiving Party's obligations with respect to Confidential Information of the Disclosing Party will not be changed or lessened by virtue of any such disclosure.

7.3. NDA: Customer and PCI Pal may agree that a separate nondisclosure agreement between Customer and PCI Pal ("NDA") will apply to the Subscription, in which case the terms and conditions thereof are incorporated herein by reference and will apply instead of Clauses 7.2.1 to 7.2.4.

7.4. Customer Data and Customer Materials:

7.4.1. Customer acknowledges that PCI Pal may, directly or indirectly, collect and store Aggregated Data and De-identified Data regarding Customer's use of the Services. Customer agrees that PCI Pal may use such information for any purpose related to any use of the Services, including, without limitation, improving the performance of the Platform or developing any improvement on, modification or alteration of, or enhancement to any part or all of the Services or any matter relating to the Services whether directly or indirectly ("Improvements"), and verifying compliance with the terms of this Agreement and enforcing PCI Pal's rights, including all Proprietary Rights in and to the Services, including the Software.

7.4.2. Customer is and will continue to be the sole and exclusive owner of all Customer Materials, Customer Data and other Confidential Information of Customer, including all Proprietary Rights therein. Nothing in this Agreement will be construed or interpreted as granting to PCI Pal any rights of ownership in or to the Customer Data and Customer Materials.

7.4.3. Customer Data will reside in the AWS region selected by Customer throughout the Subscription Term of the relevant Service Order Form. PCI Pal will not change the AWS region without Customer's prior written consent. Customer Data may be accessed outside the selected AWS region solely for the purposes of providing Services, including maintenance, support and/or responding to a troubleshooting request, provided however, PCI Pal must always comply with its obligations under applicable privacy legislation and the Data Privacy and Security Addendum.

7.4.4. Customer will obtain all necessary consents, authorizations and rights and provide all necessary notifications in order to provide Customer Data to PCI Pal and for PCI Pal to use Customer Data in the performance of its obligations in accordance with the terms and conditions of this Agreement, including any access or transmission to third parties with whom Customer shares or permits access to Customer Data.

7.5. PCI DSS Compliance:

7.5.1. As used in this Clause 7.5, the following terms shall have the following meaning: (a) "Cardholder Data" shall have the meaning provided in the PCI DSS, which shall include all data

elements described therein; (b) "PCI DSS" shall mean the then-current and in effect Payment Card Industry Data Security Standard, as such may be amended, modified, supplemented, or replaced from time to time.

7.5.2. In connection with its performance of the Services hereunder, PCI Pal acknowledges that PCI Pal: (i) is responsible for the security of any and all Cardholder Data that PCI Pal, at any time, stores, processes, transmits, or possesses; and (ii) shall comply with the PCI DSS.

7.5.3. Customer acknowledges and agrees that: (i) it is responsible for the security of any and all Cardholder Data that it, at any time, stores, processes, transmits, or possesses outside of the Services; and (ii) it shall, at all times, comply with the PCI DSS.

7.5.4. PCI Pal shall remain as being compliant with the PCI DSS to the extent applicable and required by the PCI DSS. Upon sixty (60) days written request from the Customer to PCI Pal, and once per year, PCI Pal shall provide Customer with such evidence, information, and documentation as is reasonably necessary to confirm either PCI Pal's compliance with the PCI DSS, including the provision of an Attestation of Compliance ("AOC"), or exemption therefrom.

7.5.5. As a PCI DSS Level 1 Service Provider, PCI Pal is obligated to maintain and implement policies and procedures to manage third-party service providers with whom cardholder data is shared or that could affect the security of the cardholder data environment, including Customer's relevant third-party service providers. Customer will provide such reasonable co-operation and assistance as may be reasonably requested by PCI Pal in order to demonstrate Customer's relevant third-party service providers' compliance with PCI DSS, including the production of an AOC if required. Without prejudice to PCI Pal's other rights and remedies herein, PCI Pal shall be entitled to suspend the Services on five (5) business days' notice if it cannot verify Customers' third-party service providers' compliance with PCI DSS.

7.6. Security: PCI Pal will, consistent with industry standard practices, implement and maintain physical, administrative and technical safeguards and other security measures: (a) to maintain the security and confidentiality of Customer Data; and (b) to protect Customer Data from known or reasonably anticipated threats or hazards to its security, availability and integrity, including accidental loss, unauthorized use, access, alteration or disclosure. Without limiting the foregoing, PCI Pal will provide the Services in compliance with the Data Privacy and Security Addendum.

7.7. Data Protection Legislation

7.7.1. Each party will comply with all data protection Laws, and any implementation of such laws, applicable to its performance under this Agreement and the Data Privacy and Security Addendum. The parties acknowledge and agree that they will consider in good faith implementing any codes of practice and best practice guidance issued by relevant authorities as they apply to applicable country specific data protection laws or their implementation.

7.8. Injunctive Relief: Both parties agree that a breach of any Proprietary Rights, including Intellectual Property, Confidentiality or Data Protection provisions of this Agreement may cause irreparable damage, for which the award of damages may not be adequate compensation. Consequently, the non-breaching party may institute an action to enjoin the breaching party from any and all acts in violation of those provisions, which remedy shall be cumulative and not exclusive, and the non-breaching party may seek the entry of an injunction enjoining any breach or threatened breach of those provisions, in addition to any other relief to which the non-breaching party may be entitled at law or in equity.

8. LIMITATION OF LIABILITY

8.1. Disclaimer, General CAP: SUBJECT TO CLAUSES 8.2, 8.3 and 8.4, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL: (A) EITHER PARTY, OR THEIR AFFILIATES, BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY FOR ANY LOST PROFITS, LOST SALES OR BUSINESS, LOSS OF DATA, LOSS OF GOODWILL, BUSINESS INTERRUPTION, COMPUTER FAILURE OR MALFUNCTION, OR ANY OTHER CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES ARISING FROM THIS AGREEMENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; AND (B) EITHER PARTY'S AGGREGATE LIABILITY UNDER THIS AGREEMENT, WHETHER SUCH DAMAGES ARE BASED IN CONTRACT, TORT OR OTHER LEGAL THEORY, EXCEED AN AMOUNT EQUAL TO THE AGGREGATE OF ALL FEES ACTUALLY PAID AND PAYABLE BY CUSTOMER DURING THE 12-MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO SUCH DAMAGES.

8.2. Exception for Fraud, Gross Negligence or Willful Misconduct: THE FOREGOING EXCLUSIONS OF AND LIMITATIONS OF LIABILITY IN CLAUSE 8.1(A) AND (B) WILL NOT APPLY TO EITHER PARTY'S FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

8.3. Exception for Certain Indemnification Obligations: THE FOREGOING EXCLUSIONS OF AND LIMITATIONS OF LIABILITY IN CLAUSE 8.1(A) AND (B) WILL NOT APPLY TO ANY COSTS OF DEFENSE AND ANY AMOUNTS AWARDED AGAINST THE INDEMNIFIED PARTY BY A COURT OF COMPETENT JURISDICTION OR AGREED UPON PURSUANT TO A SETTLEMENT AGREEMENT THAT IS SUBJECT TO SUCH PARTY'S INDEMNIFICATION AND DEFENSE OBLIGATIONS UNDER THIS AGREEMENT.

8.4. Special Cap for Security Breach

8.4.1. THE FOREGOING EXCLUSIONS OF AND LIMITATIONS ON LIABILITY SET FORTH IN SECTIONS 8.1(A) AND (B) WILL NOT APPLY TO, AND INSTEAD CLAUSE 8.4.2 WILL APPLY TO: (A) CUSTOMER'S COSTS OF INVESTIGATION, NOTIFICATION, REMEDIATION AND MITIGATION RESULTING FROM ANY UNAUTHORIZED ACCESS, USE OR DISCLOSURE OF CUSTOMER DATA RESULTING FROM BREACH OF PCI PAL'S OBLIGATIONS UNDER THE PRIVACY AND SECURITY ADDENDUM, INCLUDING NOTICE OF BREACH TO AFFECTED INDIVIDUALS, INDUSTRY SELF-REGULATORY AGENCIES, GOVERNMENT AUTHORITIES AND THE PUBLIC, AND CREDIT AND IDENTITY THEFT MONITORING SERVICES FOR AFFECTED INDIVIDUALS AND PCI PAL'S OBLIGATIONS WITH RESPECT THERETO PURSUANT TO THE PRIVACY AND SECURITY ADDENDUM; AND (B) ANY LIABILITIES ARISING FROM CLAIMS BROUGHT BY THIRD PARTIES AGAINST CUSTOMER ARISING FROM ANY UNAUTHORIZED ACCESS, USE OR DISCLOSURE OF CUSTOMER DATA RESULTING FROM BREACH OF PCI PAL'S OBLIGATIONS UNDER ANY PRIVACY AND SECURITY TERMS, INCLUDING OUT-OF-POCKET COSTS OF DEFENSE AND ANY AMOUNTS AWARDED AGAINST CUSTOMER BY A COURT OF COMPETENT JURISDICTION OR AGREED UPON PURSUANT TO A SETTLEMENT AGREEMENT.

8.4.2. PCI PAL'S AGGREGATE LIABILITY UNDER THIS AGREEMENT FOR ANY UNAUTHORIZED ACCESS, USE OR DISCLOSURE OF CUSTOMER DATA RESULTING FROM BREACH OF PCI PAL'S OBLIGATIONS UNDER ANY PRIVACY AND SECURITY TERMS, INCLUDING CUSTOMER'S COSTS SET FORTH IN CLAUSE 8.4.1 AND ITS OBLIGATIONS PURSUANT TO THE PRIVACY AND SECURITY ADDENDUM, WHETHER SUCH DAMAGES ARE BASED IN CONTRACT, TORT OR OTHER LEGAL THEORY, WILL NOT EXCEED (IN LIEU OF AND NOT IN ADDITION TO THE AMOUNT SET FORTH IN CLAUSE 8.1) THE GREATER OF (i) FOUR TIMES THE FEES AND OTHER AMOUNTS PAID AND REQUIRED TO BE PAID UNDER THIS AGREEMENT IN THE 12 MONTHS PRECEDING THE EVENT GIVING RISE TO THE DAMAGES OR (ii) ONE MILLION MILLION U.S. DOLLARS (\$1,000,000) .

8.5. CUSTOMER ACKNOWLEDGES THAT CLAUSE 8 IS AN ESSENTIAL PART OF THIS AGREEMENT. Some jurisdictions do not allow the exclusion of implied warranties or limitation of liability for incidental or consequential damages, which means that some of the above limitations may not apply to Customer. In those jurisdictions, PCI Pal's liability will be limited to the maximum extent permitted by applicable Law. The limitations set forth in this clause will survive and apply even if any limited remedy specified in this Agreement is found to have failed of its essential purpose.

9. INDEMNIFICATION

9.1. PCI Pal Indemnity: PCI Pal will, at its expense, indemnify, defend and hold harmless Customer and its Affiliates and their respective officers, directors, employees, agents and representatives (collectively "Customer Indemnified Parties") from and against any and all claims, actions, proceedings and suits brought by a third party, and any and all liabilities, losses, damages, settlements, penalties, fines, costs and expenses (including reasonable attorneys' fees) ("Claims"), to the extent arising out of or relating to an allegation of any infringement, misappropriation or violation of any intellectual property rights by the Services or Customer's use thereof as permitted under this Agreement.

9.2. Customer Indemnity: Customer will, at its expense, indemnify, defend and hold harmless PCI Pal and its Affiliates and their respective officers, directors, employees, agents and representatives (collectively "PCI Pal Indemnified Parties") from and against any and all claims, actions, proceedings and suits brought by a third party, and any and all liabilities, losses, damages, settlements, penalties, fines, costs and expenses (including reasonable attorneys' fees) ("Claims") to the extent arising out of or relating to an allegation of any infringement, misappropriation or violation of any intellectual property rights by the Customer Materials or Data or PCI Pal's use thereof as permitted under this Agreement.

9.3. Process: The party(ies) seeking indemnification pursuant to this Clause 9 (each, an "Indemnified Party" and collectively, the "Indemnified Parties") will give the other party (the "Indemnifying Party") prompt notice of each Claim for which it seeks indemnification, provided that failure or delay in providing such notice will not release the Indemnifying Party from any obligations hereunder except to the extent that the Indemnifying Party is prejudiced by such failure. The Indemnified Parties will give the Indemnifying Party their reasonable cooperation in the defense of each Claim for which indemnity is sought, at the Indemnifying Party's expense. The Indemnifying Party will keep the Indemnified Parties informed of the status of each Claim. An Indemnified Party may participate in the defense at its own expense. The Indemnifying Party will control the defense or settlement of the Claim, provided that the Indemnifying Party, without the Indemnified Parties' prior written consent: (a) will not enter into any settlement that; (i) includes any admission of guilt or wrongdoing by any Indemnified Party; (ii) imposes any financial obligations on any Indemnified Party that Indemnified Party is not obligated to pay under this Clause 9; (iii) imposes any non-monetary obligations on any Indemnified Party; and (iv) does not include a full and unconditional release of any Indemnified Parties; and (b) will not consent to the entry of judgment, except for a dismissal with prejudice of any Claim settled as described in (a). The Indemnifying Party will ensure that any settlement into which it enters for any Claim is made confidential, except where not permitted by applicable Law.

9.4. Infringement Remedy: In addition to PCI Pal's obligations under Clause 9.1, if the Software or other feature within Services is held, or in PCI Pal's opinion is likely to be held, to infringe, misappropriate or violate any Proprietary Rights, or, if based on any claimed infringement, misappropriation or violation of Proprietary Rights, an injunction is obtained, or in PCI Pal's opinion an injunction is likely to be obtained, that would prohibit or interfere with Customer's use of the Services under this Agreement, then PCI Pal will at its option and expense either: (a) procure for Customer the right to continue using the affected Services in accordance with the license granted under this Agreement; or (b) modify or replace the affected Services so that the modified or replacement Services are reasonably comparable in functionality, interoperability with other software and systems, and levels of security and performance and do not infringe, misappropriate or violate

any third-party Proprietary Rights. If, in such circumstances, PCI Pal cannot successfully accomplish any of the foregoing actions on a commercially reasonable basis, PCI Pal will notify Customer and either party may terminate the Subscription and this Agreement, in which case PCI Pal will refund Customer any fees prepaid to PCI Pal by Customer prorated for the unused portion of the Subscription. For clarity, PCI Pal's indemnification and defense obligations under this clause include infringement Claims based on use of the Services by Customer Indemnified Parties following an initial infringement Claim except that, if PCI Pal responds to an infringement Claim by accomplishing the solution in (b), PCI Pal will have no obligation to defend and indemnify Customer for infringement Claims arising from Customer's use after the accomplishment of (b) of the infringing Services for which PCI Pal provided modified or replacement Services.

9.5. Limitations

9.5.1. PCI Pal will have no liability or obligation under this Clause 9 with respect to any infringement Claim to the extent attributable to any: (a) modifications to the Services not provided by PCI Pal or its personnel; (b) use of the Software in combination with third-party equipment or software not provided or made accessible by PCI Pal or not specifically referenced for use with the Services under the Service Order Form or Documentation; or (c) use of the Services by Customer in breach of this Agreement. PCI Pal's liability under this Clause 9 with respect to any infringement Claim that is attributable to use of the Software in combination with third-party equipment or software provided or made accessible by PCI Pal or specifically referenced under the Service Order Form or Documentation is limited to PCI Pal's proportional share of defense costs and indemnity liability based on the lesser of: (i) the value of the contribution of the Services to the total value of the actual or allegedly infringing combination; or the (relative contribution of the Services to the actual or allegedly infringed claims (e.g., the Services are alleged to satisfy one limitation of a claim with five separate limitations and PCI Pal would be responsible for a 20% share of the defense and indemnity obligations).

9.5.2. Customer will have no liability or obligation under this Clause 9 with respect to any infringement Claim to the extent attributable to any: (a) modifications to the Customer Materials or Customer Data not provided by Customer or its personnel; or (b) use of the Customer Materials or Customer Data by PCI Pal in breach of this Agreement.

9.5.3. This Clause 9 states the entire liability of PCI Pal with respect to infringement, misappropriation or violation of any intellectual property rights or proprietary rights of third parties by the Services or any part thereof or by any use thereof by Customer, and this Clause 9 states the entire liability of Customer with respect to infringement, misappropriation or violation of any intellectual property rights or proprietary rights of third parties by any Customer Materials, Customer Data or any part thereof or by any use, receipt, storage or processing thereof by PCI Pal.
